Minutes of the Board Meeting — 24 September 2026

Extract of items relevant to payments

Item 2 — Cost review

The FY27 payments-cost budget is **₹33 crore**; the current run-rate is **₹36 crore a year**, about 9% over budget. The Board reaffirmed the target to bring the cost-to-income ratio from **48% to 42%** in FY27.

Item 3 — Treasury note

Legion's cost of funds is **9.5% a year**. Treasury estimates that moving 40% of volume to a gateway with T+1 card settlement (instead of T+2) would reduce funding cost by about **₹4 lakh a month**.

Item 4 — Arvanta counter-offer

Arvanta has offered an **8% reduction** in its blended fee if Legion commits 100% of its volume for 3 more years. The Board noted this conflicts with OKR 2.1.

Item 5 — Cross-border timeline

The Board asked management to have international card acceptance **live by 31 March 2027**.

Item 6 — June outage

Arvanta's outage on 14 June 2026 lasted about 4 hours and delayed **₹2.3 crore** of loan collections. Late fees wrongly charged to about **1,900 borrowers (₹11 lakh)** were waived.

Item 7 — Decision requested

Management to bring a recommendation on moving 40% of volume to Brevis Pay within 2 weeks.

Legion Capital, Arvanta Payments, Brevis Pay, Sentrix Risk, Vireo Finance, Coral Bank and Tamra Bank are fictional.
